

The harbingers of Eco-Tourism in Bikaner

## About Us

Rajasthan has artistic and cultural traditions which reflect the ancient Indian way of life.

At Umaid Safari An Ethnic Village Resort we are fond of this culture, and want to share this with everyone. We at Umaid Safari are passionate about Rajasthani cultures and try to reflect its essence to all people visiting here.

Umaid Safari is a place where you can experience the originality of a desert along with the Rajasthani cultures and traditions. Here you will experience mesmerizing sand dunes of Bikaner with its raw beauty. Along with Safari you can enjoy Rajasthani food at the restaurant where the meal is cooked from scratch, milling of fresh grains, organic vegetables grown over here, milk, eggs, etc.
