About Global Equity Solutions

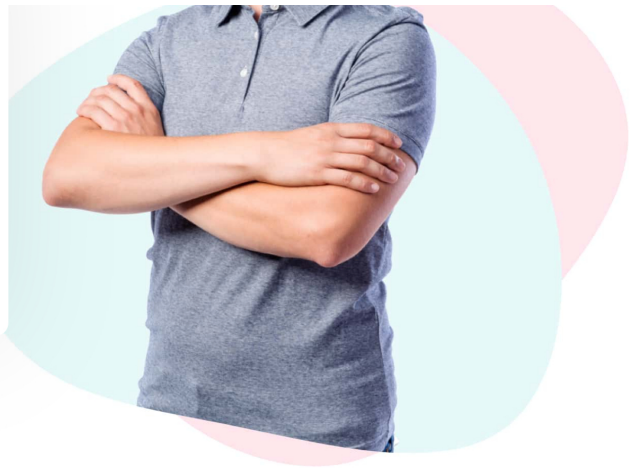

Global Equity Solutions is focused on helping investors recover their unclaimed investments which have been lying unclaimed for so many years. There is a gap existing between the investors and the unclaimed investments which belong to these investors. We exist to meet the Gap between Investors and their unclaimed investments for investors residing in India and abroad and to make sure the investments reach their rightful owner.

“
Our Mission

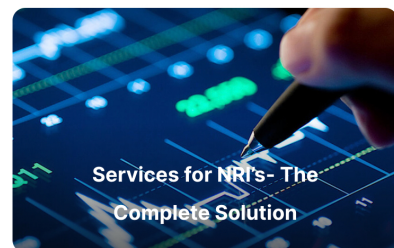

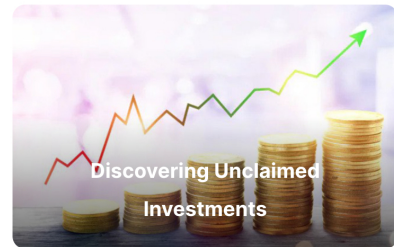

Our Mission

Bridging the gap between investors and their unclaimed investments

Our Services

Our Vision

We work with a vision of acting as a bridge between the unclaimed investments and the investor. We are providing our services to investor's/legal heir's to reclaim the

unclaimed investments at a ZERO ADVANCE POLICY.
